Roof-A-Cide® makes algae-stained roofs and premature replacement a thing of the past in Central Pennsylvania.

Union County, PA – November 1, 2006 – Roof-A-Cide, the manufacturer of environmentally safe roof cleaning solutions and algae preventatives is making their products available throughout Union, Snyder, and Northumberland Counties through a recently established Authorized Roof-A-Cide® Applicator – **Loutron Roof Renew**.

Roof-A-Cide™ is an EPA approved algaecide / fungicide specifically designed and approved for use on roof surfaces. Roof-A-Cide™ is safe to work with, safe for the roof, and safe for landscaping. Roof-A-Cide has Authorized Applicators in Arkansas, Florida, Georgia, Louisiana, New Jersey, North Carolina, South Carolina, Texas, Tennessee, and now Pennsylvania.

Loutron Roof Renew can be reached at 570/374-0374 for a fast, free estimate on cleaning and stain prevention for individual homes or whole communities, as well as all phases of roof installation and maintenance.

For additional information about Roof-A-Cide products or Applicator Opportunities, contact us at our Palm City office: 800/806-6727, or on the Internet by typing: www.Roof-A-Cide.com.
