Roof-A-Cide® adds MidSouth Painting as an Authorized Roof-A-Cide® Applicator in Dade and Broward Counties.

Broward County, FL – July 1, 2006 – Roof-A-Cide, the manufacturer of environmentally safe roof cleaning solutions and algae preventatives is making their products available throughout Dade and Broward through a recently established Authorized Roof-A-Cide® Applicator – **MidSouth Painting**.

Roof-A-Cide™ is an EPA approved algaecide / fungicide specifically designed and approved for use on roof surfaces. Roof-A-Cide™ is safe to work with, safe for the roof, and safe for landscaping. Roof-A-Cide has Authorized Applicators in Arkansas, Florida, Georgia, Louisiana, New Jersey, North Carolina, South Carolina, Texas, and Tennessee.

MidSouth Painting has been serving the commercial, residential, construction, and the repainting industry in South Florida for almost 30 years (since 1979). MidSouth Painting combines State of the Art techniques with Quality Workmanship and is an approved applicator for every major paint manufacturer.

MidSouth Painting can be reached at 954/974-7199 for a fast, free estimate on cleaning and stain prevention for individual homes or whole communities, as well as all phases of professional painting.

For additional information about Roof-A-Cide products or Applicator Opportunities, contact us at our Palm City office: 800/806-6727, or on the Internet by typing: www.Roof-A-Cide.com.
