**Roof-A-Cide™ Miele Brothers Management becomes and Authorized Roof-A-Cide™ Applicator.**

Davie, FL – May 12, 2006 – Roof-A-Cide, the manufacturer of environmentally safe roof cleaning solutions and algae preventatives is making their professional roof algae preventative products available throughout South Florida through a recently established Authorized Roof-A-Cide™ Applicator – **Miele Brothers Management (954/473-6285)**.

Roof-A-Cide™ is an EPA approved algaecide / fungicide specifically designed and approved for use on roof surfaces. Roof-A-Cide™ is safe to work with, safe for the roof, and safe for landscaping. Roof-A-Cide™ has been used successfully on over 70,000 properties to date throughout the Southeast. Roof-A-Cide has Authorized Applicators in Arkansas, Florida, Georgia, Louisiana, North Carolina, South Carolina, Texas, Tennessee, Virginia and New Jersey.

Roof-A-Cide™ has been approved for use by GAF Materials, the largest shingle manufacturer in the United States and will inhibit the growth of dark algae stains for years with each treatment. Preventative treatments generally take 30 minutes or less and a roof treated with Roof-A-Cide™ every few years will remain free and clear of unsightly algae and fungus growth for the life of the roof.

Miele Brothers Management can be reached at 954/476-6285 for an estimate on community cleaning and stain prevention, as well as all phases of Professional Property Management and Maintenance.

For additional information about Roof-A-Cide products or Applicator Opportunities, contact us at our Palm City office: 800/806-6727, or on the internet by typing: [www.Roof-A-Cide.com](http://www.Roof-A-Cide.com).
